

For Children's Sake Co-Parenting Workshop

For Children's Sake provides divorcing/separating parents with the necessary skills to protect and shield their children from the impacts of parental conflict.

In this workshop, you'll learn how to:

- Improve communication with your co-parent.
- Focus on your children's needs above all else.
- Develop effective conflict resolution strategies.
- Create a stable and supportive environment for your children.
- Understand the impact of parental conflict on children.
